

WEDDING NIGHT

The night you have dreamed
of is finally here,

The future surrounds you
With hope and yet fear.

You've been to the chapel and
Married your soulmate,

So sip this wine and toast this date.

The night is meant for you each to share,
_____ and _____
—a perfect pair.

FIRST ANNIVERSARY

On your first anniversary you'll
Wonder where the time has gone,

No longer are you newlyweds,
Soon you'll be pros.

The days have found you
In good health and spirit,

Keep saying I love you
One always needs to hear it.

Now raise your glass to this date,
As the first, not the last.

And as you build your future,
Don't ever forget the past.

FIRST DINNER PARTY

You'll open your home for guests to eat,
A place for old friends to catch up
And new ones to meet.

When the night is over
Two hosts will share this wine,

Don't sit down just yet,
Pull up your sleeves
—It's clean up time.

FIRST BABY

The news that a baby
Will soon share your life,

Will make you a mother not only a wife.

You'll see the child through
good times and bad,

_____ the loving mother,
And _____ the dearest dad.

Now _____ must drink this one alone,
_____ with an empty glass.

Sit back and relax,
Nine months will quickly pass!

FIRST FIGHT

Love as you might,
You'll have your first fight...

Drink this wine,
While you make up all night.

FIRST NEW YEAR'S

On January 1st,
While sharing some kisses...

Drink this bottle,
To toast the New Year
As Mr. and Mrs.

CHRISTMAS EVE

A wise man said wine is better than beer,
And now is the season for
lots of holiday cheer.

So pop the cork and relax a bit.

And when the night is through,
Kiss good night, close your eyes,
And Santa will be good to you!

GIRLS NIGHT OUT

Friends are like a good glass of wine,
You just want to spend more time.

Sipping and giggling like a little girl,
The days long gone by of pretty frills

There's just nothing like a night out
with the girls.
